Kelly

Thank you for submitting these application materials for the Off-Plant OU. Hopefully, the Simplot package won't be far behind.

I will be out of the office tomorrow but will review Friday and get back to you if I have any questions.

Also, we are currently working to process the change in funding for the 2013 Cooperative Agreement that you requested. It will involve several steps so will likely not be complete for 1-2 weeks. We will notify you when the full transaction is completed so that you may proceed with the actions necessary on your end to close out the agreement.
